MEDIA EXPERIENCE

San Francisco Chronicle
San Francisco, CA

Newsroom Developer Intern
March – June 2021

– Designed and developed interactive digital projects to create unique storytelling experiences and news products for the Chronicle and other markets across Hearst Newspapers
– Built engaging projects to increase readership, developing the Chronicle's second-highest performing story of July 2021
– Templatized code to allow individual Hearst markets to customize and modify a hub page for a company-wide collaboration
– Upgraded existing project templates to enable Hearst newsrooms to publish high-quality interactive stories quickly and easily
– Analyzed large datasets and conducted expert interviews to report data stories about the Bay Area
– Produced interactive data visualizations using D3.js and Datawrapper to accompany data stories
– Updated a California COVID-19 tracker used by newsrooms across the state weekly, using data from each county to ensure accurate reporting of case, death and recovery numbers
– Combined census data and geographic data using Mapbox and Mapshaper to create interactive maps for real estate guides

North by Northwestern
Evanston, IL

Interactives Editor
June 2020 – March 2021

– Produced and edited interactive stories using HTML, CSS and JavaScript to enhance presentation of online articles
– Lead workshops for team of 10+ contributors to teach fundamental skills in web design and development
– Adapted print assets and layouts for the web to convert an award-winning print magazine into an interactive digital format

Editor-in-chief
November 2019 – June 2020

– Hired and managed over 40 online and corporate staff members to publish daily newsmagazine
– Led newsroom four nights a week to ensure timely edits and publication of digital stories
– Collaborated with corporate team on business operations, exceeding financial goal for ad sales, subscriptions and donations
– Transitioned to remote format during the start of the COVID-19 pandemic, maintaining daily publication during virtual quarter

NU Asian Magazine
Evanston, IL

Webmaster
June 2020 – present

– Design, develop and maintain responsive website to allow for digital publication of stories from print magazine
– Build WordPress theme from scratch using HTML, CSS, JavaScript and PHP to create a unique online presentation
